Rational

This short survey is designed to test the following:

- Question types:
    - Description (no question response)
    - Short free response
    - Long free response
    - Select one
    - Select multiple
    - Radio button matrix (1-n scale for repeated questions; see #6)
    - Matrix of text boxes (see #9)
    - Number (or currency, if available)
    - Visual analog scale
    - File upload
- Validation
    - Validate email address
    - Distinguish number/currency from text
    - Validate entries based on value (see #13)
- Survey logic
    - Skip page based on prior response
    - Skip question based on prior response (not whole page, see #6)
    - Display question based on prior response
    - Route based on response value (see #13)
- Import respondent data
    - Display respondent's name in survey from imported data

Survey for testing survey software

Page 1
1) "Hello [RESPONDENT NAME], this is a short survey about food" [no response]
2) What is your email address? [short free response w/email validation]
3) Please describe your favorite meal: [long free response]
4) Are you hungry? [select one]
    a. Yes
    b. No

    If b is chosen, show Q5, otherwise go to Q6

5) Why are you not hungry? [short free response]
6) What do you want to eat? [select multiple + other]
    a. Sandwich
    b. French toast
    c. Salad
    d. Other: _____
    If b, c, or d is chosen, skip to page 3.

Page 2

7) Please rate the following sandwiches:

	1 - Dislike	2	3	4	5 - Like
Ham sandwich					
Veggie sandwich					

8) Please tell us how many items in each category you ate for each meal.

	meat	Veggie
Breakfast		
Lunch		

Page 3

9) *Display only of Q6(d) was selected.*

    How much would you pay for [USER INPUT FROM Q6(d)] at a restaurant?
    [type in number/currency]

10) How much do you like this photo/video? [slider/visual analog scale]

    Check capability for inserting both a photo and a video.

11) Please upload a file [file upload]

12) What is your year of birth?

    Validate that a year between 1900 and 2013 is entered.
    If answer to #12 is >= 1995, go to end of survey. If answer to question #12 is <1995, go to question 13.

13) Are you over 18 years old?
    a. Yes
    b. No
